Sir:

INFORMATION DISCLOSURE STATEMENT UNDER 37 C.F.R. § 1.97(b)

Pursuant to 37 C.F.R. §§ 1.56 and 1.97(b), applicants bring to the attention of the Examiner the document on the attached listing. This Information Disclosure Statement is being filed before the mailing date of a first Office Action on the merits for the above-referenced application.

A copy of the listed non-patent literature document is attached.

Applicants respectfully request that the Examiner consider the listed document and indicate that it was considered by making an appropriate notation on the attached form.

Applicants provide an International Preliminary Report on Patentability ("IPRP") issued by the International Bureau of WIPO on December 28, 2006, in a counterpart International application. The IPRP indicates the relevance of Japanese Publication No. 2005-8478. The IPRP also lists and discusses JP 55-97227 and members of its patent family. Applicants note that the Japanese publications, as well as patent family members of JP 55-97227, were previously cited and provided with the Information Disclosure Statement filed on July 28, 2006. Since applicants previously provided copies of the Japanese publications, they are neither cited in the attached Form nor provided herewith.

This submission does not represent that a search has been made or that no better art exists and does not constitute an admission that the listed document is material or constitutes "prior art." If the Examiner applies the document as prior art against any claim in the application and applicants determine that the cited document does not constitute "prior art" under United States law, applicants reserve the right to present to the office the relevant facts and law regarding the appropriate status of the document.

Applicants further reserve the right to take appropriate action to establish the patentability of the disclosed invention over the listed document, should the document be applied against the claims of the present application.

If there is any fee due in connection with the filing of this Statement, please charge the fee to our Deposit Account No. 06-0916.

Respectfully submitted,

FINNEGAN, HENDERSON, FARABOW,
GARRETT & DUNNER, L.L.P.
